

Legal disclaimer

1. Information published on V-Coins Websites

The website <https://v-coins.global/> (hereinafter, referred to as the “Website”) provides information and material of a general nature. You are not authorized nor should you rely on the Website for legal advice, business advice, or advice of any other nature. You act at your own risk in reliance on the contents of the Website. Should you decide to act and you are not certain of any legal or other implications, contact a licensed attorney in the relevant jurisdiction in which you want to act or need advice. In no way are the owners of, or contributors to, the Website responsible for any actions, decisions, or other behavior taken or not taken by you related to the Website.

2. Translations

The Website may contain translations of the English version of the content in many other languages. These translations are provided only as a convenience. In the event of any conflict between the English language version and translated versions, the English language version shall take precedence. If you notice any inconsistency, please report them to the web-administrator admin@v-coins.global.

3. Risks related to the use of V-Coins

The Website will not be responsible for any losses, damages or claims arising from events falling within the scope of the following five categories:

1. Mistakes made by the user of any V-Coins-related software or service, e.g., forgotten passwords, payments sent to wrong V-Coins addresses, and accidental deletion of wallets.
2. Software problems of the Website and/or any V-Coins-related software or service, e.g., corrupted wallet file, incorrectly constructed transactions, unsafe cryptographic libraries, malware affecting the Website and/or any V-Coins-related software or service.
3. Technical failures in the hardware of the user of any V-Coins-related software or service, e.g., data loss due to a faulty or damaged storage device.
4. Security problems experienced by the user of any V-Coins-related software or service, e.g., unauthorized access to users’ wallets and/or accounts.
5. Actions or inactions of third parties and/or events experienced by third parties, e.g., a bankruptcy of service providers, information security attacks on service providers, and fraud conducted by third parties.

4. Investment risks

The investment in V-Coins can lead to loss of money over short or even extended periods. The investors in V-Coins should expect prices to have broad range fluctuations. The information published on the Website or the App cannot guarantee that the investors in V-Coins would not lose money.

5. Compliance with tax obligations

The users of the Website are solely responsible to determinate what, if any, taxes apply to their V-Coins transactions. The owners of, or contributors to, the Website are NOT liable for determining the taxes that apply to V-Coins transactions.

6. The Website does not store, send, or receive V-Coins

The Website does not store, send, or receive V-Coins. V-Coins are distributed only by the ownership record maintained in the V-Coins network. Any transfer of title in V-Coins or V-Coins itself occurs within a decentralized V-Coins network through trading platforms, the App, affiliation network, and not on the Website.

7. No warranties

The Website is provided on an “as is” basis without warranties of any kind regarding the Website and/or any content, data, materials and/or services provided on the Website.

8. Limitation of liability

Unless otherwise required by law, in no event shall the owners of, or contributors to the Website be liable for damages of any kind. That includes, but is not limited to, loss of use, loss of profits, or loss of data arising out of or in any way connected with the use of the Website.

9. Arbitration

The user of the Website agrees to arbitrate any dispute arising from or in connection with the Website or this disclaimer, except for disputes related to copyrights, logos, trademarks, trade names, trade secrets or patents.

10. Last amendment

This disclaimer becomes effective on June 07th, 2017.
